Our in-person services will follow CDC guidelines and a few other precautions to keep our congregation healthy. Your cooperation is greatly appreciated.

- All service attendees need to wear masks indoors, regardless of vaccination status. (A face shield, neck gaiter or bandana are not acceptable substitutes for a face mask.)
- Do NOT attend services if you have been exposed to someone with COVID-19, if you are sick, or if you have tested positive for COVID-19.
- Please do not move the chairs in the chapel; they have been placed on the advice of an environmental engineer to provide maximum safety.
